

SEVERE WEATHER ARRANGEMENTS

Every effort is made to ensure the school stays open and any decision to close is taken after a careful risk assessment as the safety of our pupils is our primary concern. Once a decision is made we will update the website and send a text to parents. For this purpose please ensure the contact details we have for you are up-to-date.

One of the following colour codes will be used and you will be able to view this information on the **front page of our school website**.

Green: School is open and pupils are expected to attend.

Amber Closure: School will be partially open. This is when some of the school staff cannot get to school but we are able to safely have pupils on site. If you can keep your child home, please do so. Absence will be authorised and this will not affect pupils' attendance records. The planned curriculum will not be running but supervision and educational opportunities will be provided.

Red Closure: School is shut to pupils. Nobody should come to school.
